

Thank you for your interest in the Circle Program!

The Circle Program is an OBH licensed, 16- bed, 90-day residential treatment program for adults with co-occurring disorders (mental illness, chemical dependence and personality disorders), who, despite numerous treatment programs, find themselves needing this level of treatment to be successful with their recovery.

We take a holistic approach to recovery and address all drugs of addiction at the same time. Because there is evidence that long-term tobacco use is the number one cause of preventable morbidity and mortality, and that continued tobacco use may contribute to relapse to the drug of choice after treatment, the Circle Program is entirely tobacco free. Clients will not be allowed to use tobacco products at any time during their treatment stay and will be encouraged to maintain abstinence after discharge.

To be considered for admission, you must complete and return the enclosed Admission Questionnaire to:

Circle Program
Attn: Admission Committee
1711 E. Evans Avenue
Pueblo, CO 81004
(719) 543-8751

IMPORTANT!! Please check the following items before returning your application or you will NOT be considered:

- A copy of Recent (within last 12 months) Psychiatric Evaluation/Assessment is attached
- Have an Axis I diagnosis of Substance/Alcohol Dependence, along with a Psychiatric Diagnosis
- Have attempted previous drug/alcohol treatment
- All sections of the application are complete
- If on probation, a copy of the LSI, SSI, or ASUS is attached
- Client Agreement is signed and dated

After receiving the Questionnaire, you will be notified of the Admission Committee's decision. If you have any questions, please feel free to email or call me at:
